Museum on Main Street
Smithsonian Exhibition Coming To Florence
By Exhibit on Waterway
Continued from page 1

The Smithsonian’s Water/Ways exhibition dives into water—an essential component of life on our planet, environmentally, culturally, and historically.

In societies across the globe, water serves as a source of peace and contemplation. Many faiths revere water as a sacred symbol. Authors and artists are inspired by the complex character of water—a substance that is seemingly soft and graceful that is yet a powerful and nearly unstoppable force.

Water also plays a practical role in American society. The availability of water affected settlement and migration patterns. Access to water and control of water resources have long been a central part of political and economic planning. Human creativity and resourcefulness provide new ways of protecting water resources and renewing respect for the natural environment.

What is ThinkWATER?

Water/Ways and its companion exhibition, H2O Today, are core components of the Smithsonian’s thinkWater project. thinkWater offers an opportunity to explore water from both scientific and cultural perspectives through a variety of programmatic opportunities. This unique project combines the two Smithsonian exhibitions with educational activities and digital story-collection initiatives with the deep programmatic expertise of state humanities councils. The project offers the Smithsonian’s state

2019 Spring Turkey, Javelina Hunting Tags
Plenty Of Hunt Permit-Tags Remain
By Arizona Game And Fish Department
Continued from page 1

Arizona hunters who were unsuccessful in the recent 2019 spring hunt draw still have an opportunity to receive a hunt permit-tag for turkey or javelina.

As of Nov. 1, there were 8,137 leftover hunt permit-tags for the following hunts:

- 186 general turkey
- 36 youth-only turkey
- 2,781 general javelina
- 2,631 archery-only javelina
- 2,253 handgun, archery or muzzle-loader (HAM) javelina
- 250 youth-only javelina

The Arizona Game and Fish Department has posted a list of leftover hunt permit-tags for the following hunts:

The property contains 13.7 acres and is located at the northwest corner of Combs Road and Encanterra Drive in

Board Of Supervisors Special Session Meeting
Wednesday, 9:30 AM
By San Tan Times Staff

Time: Wednesday, November 14, 2018
9:30 AM - CALL TO ORDER
Location: Pinal County County Administrative Complex
Board Of Supervisors Hearing Room
135 N. Pinal Street
Florence, AZ 85132

Listed Agenda:
Consideration/Approval/Disapproval of the following:
(1) CONSENT ITEMS: All items indicated by an asterisk (*) will be handled by a single vote as part of the consent agenda, unless a Board Member, County Manager, or member of the public objects at the time the agenda item is called.

*A. Board of Supervisors, sitting as the Board of Equalization, for ratification of Hearing Officer decisions from the Board of Equalization (BOE) Hearings on Petitions for Review of Notice of Change Hearings held on November 8, 2018. (Natasha Kennedy)
*B. Discussion/approval/disapproval of Resolution No. 111418-DA ratifying the approval of a Development Agreement between the City of Casa Grande, Pinal County and Atieva USA, Inc. (Chris Keller/Greg Stanley)
*C. Discussion/approval/disapproval of Electrical Right of Way Easement,
I have never been so satisfied with a book finale! Sarah J. Maas has written a masterpiece that hits every note absolutely perfectly ranging from the despair of war, hope of found love, and courage in the face of fear.

The first half of this book is incredibly tense, slowly building the anxiety of whether or not our favorite characters will survive what seems like certain doom. And the entire time I was terrified that this finale would end similarly to Breaking Dawn in which there is a great deal of build up for a lackluster ending. There is no need to worry in this regard. The war is grittier than I had expected and a great balance of fear and hope that does not lean too far in either direction. There is a level of reality often missing from other fantasy war scenes in YA.

This installment in the Throne of Glass series proved to me that this series is not simply what many book skeptics sneer at when they say something is only YA, meaning it is not as grand as the adult side of the bookstore’s high fantasy section. As a fan of both genres, this is absolutely in my top three fantasy series of all times.

Some readers skipped Tower of Dawn, what was originally supposed to be a novella following Chaol, and intend to jump straight into Kingdom of Ash following Empire of Storms. I absolutely do not recommend this! Tower of Dawn happens concurrently with Empire of Storms and is basically book six in this series. If you skip it there will be an entire component of the army from the Southern Continent that joins the battle.

Continued on page 12
you will have no background on. Even the magic systems of that kingdom are different from what we are familiar with following Aelin’s crew. And if neither of these aspects entice you, there are a many new characters that we see in Kingdom of Ash that you will only know if you read Tower of Dawn.

Overall, I cherish this book far more than I could have anticipated and cannot believe the growth of this series from book one to book seven.

I hope you give this one a chance and if you have already read this amazing book, check back in to see more of my spoiler filled discussions coming up in the coming weeks!

Title: The Black Tower
Author: Louis Bayard
Page Count: 368
Rating: B
Format Read: Audiobook
Genre: Historical Fiction Mystery
Keywords: Medicine, Disguise, Identity
Kid Appropriate: No

If you’ve ever just had a hankering to read about a foul-mouthed, French Sherlock then this is definitely the book for you.

Yes, this is based off of the real Vidocq who was indeed a French criminal that inspired many of our most beloved fictional detectives. This fictionalized version of his life was a good mix of adventure, humor, and mystery that kept me reading as well as adding the comfortable familiarity of the relationship between a brilliant detective and his sidekick who is just a bit slower on his comrade’s plans. I also found the twist on history a bit fun. Due to language and sexual content I would recommend not giving this to kiddos. Stick with Sherlock for them.

I primarily picked this up during an Audible sale because I saw that one of my favorite narrators, Simon Vance, was reading.

If you are looking for a new mystery that will give the nostalgia of Sherlock Holmes with a touch less refinement then I absolutely recommend this enjoyable read.

About the Author of Adventures In Obsessive Reading
Ms. Winkle is an author and book blogger. Bleeding Heart is the first installment in her Guardian Chronicles series and her first novel. She has a BA in Anthropology from the University of Montana, an MA in International Security from the University of Arizona. When she isn’t studying she can usually be found with a dog and a book.

Neighborhood Meeting
Continued from page 10

Pinal County. SB Communities is requesting a Comprehensive Plan amendment and Rezoning of this property to allow for the development of The Sterling, a 276-unit, apartment home community. Our requests to Pinal County will be for:

- A Comprehensive Plan Amendment from Moderate Low Density Residential (1-3.5 du/ac) to High Density Residential (8-24 du/ac), and
- Rezoning from Industrial Buffer Zone (CI-B) to Multiple Residence (MR)

The neighborhood meeting will have an open house format and has been scheduled to give interested property owners in this area an opportunity to meet with the applicant and to learn more about SB Communities and the proposed development.

Consistent with the Pinal County Development Service Code, this notice is being sent to property owners within 1200’ of the proposed development site. If you are aware of other individuals interested in this project, please share this information with them.

Learn more about the SB Communities developer:

Wildlife Of San Tan Valley
Rod Small’s Visual Journey
By, Rod Small
Sarcastic commentary by San Tan Times Staff

Apparently the horse had the hankerin’ for some burgers. Can you blame them?
